Here's my take. Teams are coming to terms with players right before arbitration hearings. It just happened today with the Rangers and Ryan Callahan. Teams would much rather ink their players to contracts than deal with an arbitrator's ruling. When you have a deadline, design a basketball jersey, it gives you time and an ability to framework before zero hour. Gut instinct says a deal will get done, 2012 nike nfl jerseys, nike football jersey, nhl salary cap, but stranger things have happened.
